

Serial No. 09/759,430

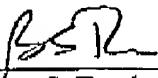

Docket No. HRT 228

REMARKS

Claims 14-30, 36 and 37 are pending. Claims 1-13 and 31-35 are cancelled.

Applicants note that the Examiner indicated that claims 14-30, 36 and 37 are in condition for allowance, but restricted claims 31-35 as being directed to a non-elected invention. Applicants have cancelled claims 31-35, and plan to file at least one divisional application to pursue the cancelled claims. Applicants request that the Examiner pass the pending claims to issue.

Respectfully submitted,

By:
